

Edenderry Golf Club

The Winter Series 2019 – Sponsor Gay Lawton Motors

From Oct 21 until Dec 15, the club will be running its Winter Series Order of Merit. As per last year, this series of weekly competitions will be in the different formats of the game, with the overall winner being able to lay claim to the coveted title of being the club's best all round golfer for 2019.

The 2019 series will be a mixture of singles and team based competitions on alternate weeks.

The schedule is as follows:

Week	Format
Beginning	
Oct 21:	Singles Stableford
Oct 28:	4 Person Rumble (2 scores to count)
Nov 04:	Singles Skins
Nov 11:	3 person shambles
Nov 18:	4 Club Challenge (you can only use 4 clubs)
Nov 25:	2 man Scramble
Dec 02:	Singles v par
Dec 09:	Criss Cross (3 or 4 players)

Rules:

- As well as weekly prizes, there will also be an overall prize for the winner of the Winter Series Order of Merit
- All competitions played over 13 holes.
- Your best 4 scores over the 8 weeks to count towards the Winter Series Order of Merit.
- Re-entry allowed throughout the week for the weekly competitions, but your first score / entry counts towards the Winter Series Order of Merit
- To encourage as many winners as possible, all weekly prize winners of singles events will have their handicap reduced by 2 shots for subsequent singles events of the Winter Series. This rule applies to the weekly winter competitions only and not to the Winter Series Order of Merit.
- For team events it is not necessary that all players have entered the Winter Series or that you play with the same partners in all team events.
- A weekly table will be posted on <http://edenderrygc.com/gents2019>.
- All members must use BRS to book their tee-times.

The cost of entry (and re-entry) for the weekly competitions will be €5.

The cost of entry to the Winter Series is also €5.

Score Adjustments:

As per this year's Spring League, the Competition Committee will be adjusting scores for the non-singles events, and the 4 Club Challenge, in the Winter Series as follows:

- The 'mean' (average) singles stableford for 13 holes is 24 points.
- We will determine the 'mean' card each week and all other cards will be marked against it.
- For example
 - 21 teams play the 'Shambles' and the 11th best score (ie the mean score) is 60 points
 - The winning score is 75 points
 - For the Winter League, the 'mean' Shambles score of 60 goes to 24pts i.e. equivalent to an average singles score
 - The winning score of 75 points goes to 30 pts (i.e. 24pts/60pts x 75pts = 30 pts).
- All singles scores will be converted to stableford points

Singles Skins: Like "V Par" in that you play against the course. But unlike "V Par", if you half a hole, it carries forward to the next hole with it now being worth 2 skins, or 3 skins if it carries on to the 3rd and so on. For example, if you are an 18 handicap and bogey the first 3 holes, you have halved your first 3 holes with the course (as you have a shot on each hole). You then par the 4th hole for a win which makes your score +4 skins. You then start all over again playing for 1 skin on the 5th...The person with the most skins at the end of the 13 holes is the winner.
